

CARAVANS

TO SUIT ALL YOUR DESIRE

LOW-SLUNG CARAVANS COLLECTION

2020

# SILVER

Whether or not you're an experienced caravan owner, we know you love improvised weekends and following the pathway to discovery with no loss in comfort: the EVASION is made for you!

With an incomparable set of features, it will meet your every need while combining freedom with comfortable living. Hit the road to adventure with effortless towing and exceptional ease of storage. And don't forget its extraordinary design, outstanding comfort and expanded storage areas - they'll let you take full advantage of your travels. We've listened carefully to you, our customers, to your comments and suggestions, and have designed our caravans with your needs and requests in mind. The EASY TOP system that lets you raise the caravan roof automatically, without effort, in less than a minute is now proposed as an option on all EVASION 2020 models.

## SETUP

Increase your caravan's volume in the blink of an eye thanks to the roof extension, manually or automatically with the new exclusive EASY TOP system.

## HANDLING

With a third less wind resistance than a standard caravan, the EVASION is easily hauled and substantially reduces your fuel consumption.

## TOLL BOOTHS

Being under 2 meters in height, this caravan goes through toll booths without additional charge.

## HITCHING

Its compact dimensions and weight make hitch linkage easy.

## GASHEATING

- (Option for EVASION models)  
Exclusivity
- Integrated silent hot air-ventilation
  - Reduced gas-consumption
  - Easy to operate

## XPS-FOAM INSULATION

Insulation core made out of XPS Foam: excellent insulation features, durability and rot-proofness, humidity-resistance.

## GARAGE CLEARANCE

With a minimum 2.0m width and 1.98m height, your EVASION goes easily in and out of your garage.

REINFORCED INSULATION

LOW-SLUNG CARAVANS COLLECTION

## EVASION 430 CP

Low-slung EVASION caravans offer perfect insulation with GRP-polyester panels and roof that guarantees optimal heating and a very high level of sound-proofing.

The EVASION 430 CP has all of the range's «main» features:

- A bedroom for parents,
- An ample dinette,
- Generous storage space and a toilet.

With a fixed bed, a convertible dinette and spacious worktop, the EVASION 430CP combines space, practicality, comfort and ease of living.

ERGONOMICS

LOW-SLUNG CARAVANS COLLECTION

# EVASION 430 LJ

This new compact pop-up model benefits of all advantages of a rigid regular caravan :

- **Optimal ergonomics** : comfortable sitting group in the rear, fully equipped kitchen with big worktop and well-sized twin beds (200 x 80 cm ) with folding head-rest and 17cm thick mattresses
- **Multiple storage facilities** : wardrobe, cupboards, shelves, niches, display cabinet, deep drawers, etc.
- **All you can ask for on less then 6m total length and 2m width !**

 **3 BERTHS**

# INNOVATION

## INSULATION XPS

Amongst the main risks for damage to your caravan are hail-damages and water-ingress. The conventional construction of pop-up-caravans using traditional sandwich panels, does not provide adequate guarantees in this respect. That's why Silver has decided to develop an exclusive construction-technology, which does offer you longevity of your caravan and allows them to benefit from a 7 years water ingress warranty\*

## EXCLUSIVE SILVER TECHNOLOGY

Improved hail protection and weatherproofing thanks to GRP roof and side-panels.  
 • GRP cladding under the floorpan against splash-water, salt and stone chips  
 • Hydrophobic and rot-proof extruded polystyreneinsulation (XPS) for an optimal waterproofness

\*under condition of an annual service at one of our certified dealers.

## INSULATION

Unlike most other manufacturers, Silver does not simply comply with traditional expanded polystyrene for insulation goals. The side-panels, the roof and floor of all Silver Evasion benefit from water-resistant and high pressure-resistant XPS foam and offer you exceptional insulation values.

### THE ADVANTAGES

- Improved resistance
- Non-corrodible
- Easier and therefore less expensive repair compared to aluminium
- No changes in shape or colours thanks to high resistance to UV-radiation and influence of weather

## HEATING COMFORT

The Evasion-models offer you the possibility to choose for a modern, efficient and practical gasheating. The Truma VARIOHEATER gasheating is very suitable for Pop-up - caravans thanks to its under-seat installation allowing to win useful storage space.

### THE ADVANTAGES

- No maintenance
- Efficient
- Elektronic control;
- Easy to operate
- Integrated security system

## SLEEPCOMFORT

Relaxation and a good night's sleep are essential to enjoy holiday. That is why Silver developed a new mattress using the latest technologies in the bedding market.

- High Resilient mattresses (30kg/m3) : high comfort, guaranteed firmness and longevity
- Anti-dust mite : anti-dust mite mattress cover
- Made in France : 100% manufactured and assembled in France
- Oeko-tex class 1 : mattress covers manufactured without harmful substances to health and skin
